

THIS WEEK...

Harpsden
Pre-School

We made our own salt dough this week and enjoyed playing cutting and making all sorts including cakes and pizza.

The children got creative with junk modelling making trains, cars, towers, robots and much more...

We had lots of puzzles out for the children to explore this week

The children had lots of opportunities to mark make and practice
Their communication and language skills with the small world and role play areas

NEXT WEEK...

Feelings Week Continued!
We will be talking about our feelings and making our own colour monsters. In the home corner we will have the kitchen out. We will be continuing to concentrate on communication and language and focusing on literacy and stories.

In our afternoon sessions we got busy being pirates, making our own hats, finding hidden treasure and matching letters on our treasure maps

We still availability for our fun afternoon sessions.
